## Felicity

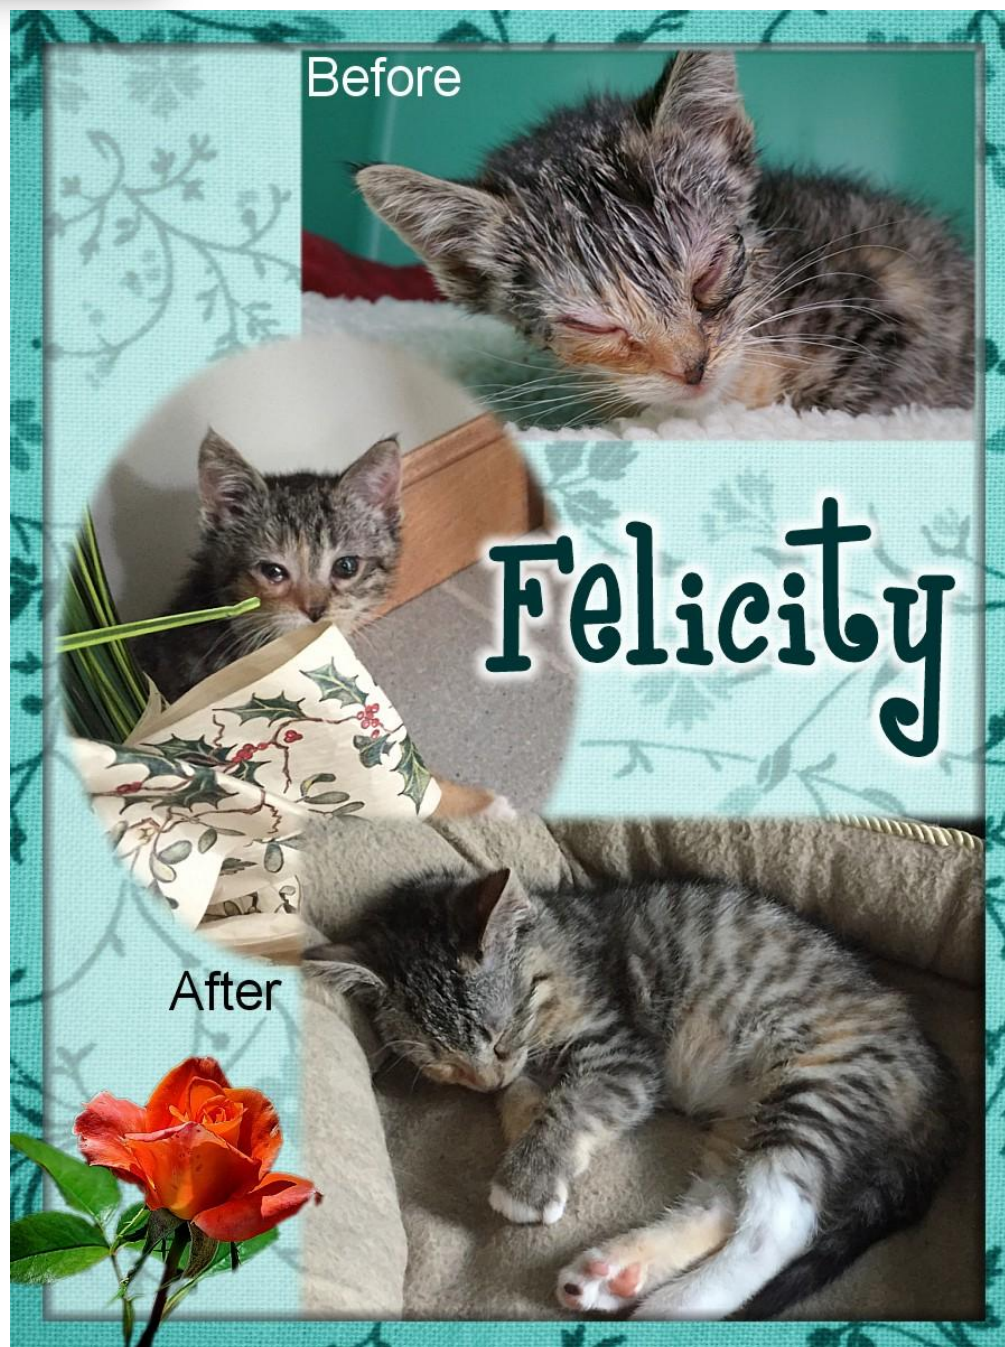

Felicity was found at 6 weeks crossing 191 and nearly run over. Animals Can't Talk kindly took her in and had extensive vet care performed.

Her eyelids have been surgically opened; it is believed she can see. Her prognosis seems good and the only lasting problem may be occasional running or tearing of her eyes. Please share or consider adopting Felicity. She deserves a Happy Ending.

If you can't adopt, a donation would be greatly appreciated.

Please send any donations to:

Felicity is now great Friends with Liam. Liam was found near the office at Pocono Farms Country Club with his mom and siblings when he was just over a week old

**Both are ready for Adoption**

Liam
