

Potential Adoptive Pet Parents – Please Read!

Here at Animals Can't Talk Rescue and Adoption, Inc.

570-242-2846

We care about EACH & EVERY cat that is placed in a home.

If, for ANY REASON, you cannot keep your adopted pet, contact us immediately!

We will take the cat back into the rescue and re-home.

DO NOT PLACE A FREE AD ON CRAIGSLIST OR ANY NEWSPAPER.

This encourages very unsavory persons to collect the cat and sell to labs, use as bait, or food for other animals and/or animal cruelty.

**NEVER THROW YOUR
ANIMAL OUTSIDE
THINKING THAT IT CAN
TAKE CARE OF ITSELF.**

The fate of such pets can be starvation/sickness, run over, animal cruelty, eaten/attacked by wildlife, not to mention a broken heart.

NEVER TAKE YOUR CAT TO A KILL SHELTER
